

THE AUSTRALASIAN
SOCIETY FOR IMMUNOLOGY
(WA BRANCH)

The WA Branch of ASI Committee warmly invites you to participate in the

2009 ASI-WA STUDENT AND EARLY CAREER WORKSHOP

FRIDAY 25TH SEPTEMBER 2009

FLYING SQUADRON YACHT CLUB, NEDLANDS

This workshop aims to provide an informal forum for all **postgraduate immunology students (including Honours) and early career Post-Docs** to present their latest research in a relaxed environment. The event will also enable participants to gain insights into the directions local immunology labs are taking as well as to hear from some of Australia's leading immunology researchers.

Invited guests/mentors

Professor Ranjeny Thomas (Diamantina Institute, Brisbane)
Research focus: the role of dendritic cells in rheumatoid arthritis.

Dr Gabrielle Belz (WEHI, Melbourne)
Research focus: the role of T-cells and dendritic cells in anti-viral responses.

The workshop will conclude with a **'My Generation' Quiz Night** complete with drinks and nibbles and lots of prizes!

Costs: \$30 students, \$50 others (includes lunch, morning and afternoon tea and the Quiz Night)

Abstracts®istration: No more than 300 words, submitted to Delia Nelson (Delia.Nelson@curtin.edu.au) before 5pm, Friday September 11.

Organising committee: Delia Nelson, Matt Wikstrom, Tony Scalzo, Jane Allan, Andrew Currie, Phil Stumbles, Paul McMenamin, Olivia White, Scott Cornwall, Laura Masters, Kristin Wiqvist, Angela Fuery and Angela Rate.
