

Australasian Society for Immunology Incorporated

ASI Gordon Ada and Jacques Miller Senior Travel Awards

Purpose:

To support career beneficial overseas travel by senior / mid-career researchers. Travel is expected to occur between 1st July 2009 and 30th June 2010.

Eligibility:

Members who have been full ASI members consecutively at least since April 2004 are eligible to apply.

The awards can only be received once, therefore previous successful applicants of one of the ASI Gordon Ada or Jacques Miller Senior Travel Awards are not eligible to apply. (Not applicable this round of applications)

Current members of ASI executive are not eligible to apply.

Application procedure:

Application forms are available to download from the ASI website.

Application consists of a proposal outlining the benefits expected from the travel, the purpose of the travel and a 2 page NIH style CV.

The application should be attached to a covering email as a file in PDF format to:

Dr. Susanne Heinzl

Honorary Secretary, ASI

travelawards@immunology.org.au

Enquiries

Please do **not** direct any enquiries on the application process to the address above. For enquiries use:

asi@21century.com.au

Submission deadline: 26th April 2009

Assessment Criteria:

Excellence of track record relative to opportunity, purpose of travel and career/professional benefit of the proposed travel as judged by the ASI Executive.

Value:

Two awards (one Gordon Ada and one Jacques Miller Award) may be given per year for up to \$10000 each. Reimbursement will be made based on receipts for travel expenses.

A medal will also be presented at the annual meeting following the award.
