

PROGRAM AT A GLANCE

Australian and New Zealand
SOCIETY FOR IMMUNOLOGY INC.

With special thanks to our sponsor

Meeting time zones (note the program below is shown in AEDT):

NZ: 1.30pm – 5.30pm (NZDT)

VIC, TAS and NSW: 11.30am – 3.30pm (AEDT)

QLD: 10.30am – 2.30pm (AEST)

NT: 10.00am – 2.00pm (ACST)

SA: 11.00am – 3.00pm (ACDT)

WA: 8.30am – 12.30pm (AWST)

Program

Annual meeting of Education Special Interest Group – 2021

5th February 2021	2 nd Annual meeting of the ASI Education Special Interest Group	PROGRAM
11.30am (AEDT)	Opening address Welcome to the 2 nd Annual meeting of the Education SIG: Immunology goes Digital	A/Prof. Odilia Wijburg, ASI Ed SIG Annual Meeting Coordinator
SESSION 1 (50min)	Teaching and Research Nexus	Chair: Graham Leggatt
11.35am – 12.05pm (AEDT)	Keynote presentation: 'The changing landscape of immunology teaching'	A/Prof Tony Kenna Queensland University of Technology
12.05pm – 12.20pm (AEDT)	Immunopaedia – an introduction	A/Prof Alejandro Lopez Griffith University
SESSION 2 (50min)	Digital transformation and Tips for teaching difficult concepts in Immunology	Chair: Andrew Highton
12.30pm – 12.50pm (AEDT)	Invited presentation: 'PhD to pedagogy: a journey into Academia through the New Zealand Science, Health and Research communities'	Dr. Dianne Sika-Paotonu University of Otago
12.50pm – 13.20pm (AEDT)	These short (5min each) presentations are available online as pre-recorded videos and are not played during the meeting. Please watch the presentations beforehand and participate in this discussion session.	Link is available to registrants only
	The Articulate Rise platform for eLearning	Dr. Danica Hickey
	Creation of an online, self-guided 'choose your own adventure' laboratory practical	Dr. Kylie Shaddock
	Lightboard 'technique snapshot' videos as pre-laboratory class resources	Dr. Maria Demaria
	Windows into the lab – an online student-driven practical experience	Dr. Daniel Clarke
	Interactive simulations to teach students difficult immunological processes and disease states	A/Prof. Maurizio Costabile
	Teaching flow cytometry online with linkage to diagnostic practice	Dr. Gabriela Minigo
	Using white board animation software as an eLearning tool to implement dual coding theory for	Dr. Samy Sakkal

	undergraduate teaching	
	Addressing the challenges of online self-directed graduate learning with a modular interactive online learning platform	Dr. Jessica Borger
	Structured programs to manage student anxiety and equity issues associated with eLearning	Dr. Danica Hickey
SESSION 3 (45 min)	Professional development for next gen educators	Chair: Sonia Fernandez
13.30pm – 13.50pm (AEDT)	Invited speaker: Inaugural winner of the ASI Cheers-Buchan Education Award. 'Making immunology practicals fun, interactive and memorable'	Prof. Scott Byrne University of Sydney
13.50pm-13.55pm (AEDT)	Beyond the PhD: where are all the life scientists?	Dr. Anuj Sehgal Mater Research Institute
13.55pm-14.07pm (AEDT)	Building a CV in teaching and learning	A/Prof. Odilia Wijburg
14.08pm-14.20pm (AEDT)	Secrets of success: advice for applying for national and institutional teaching awards in immunology	Dr. Samy Sakkal and A/Prof. Maurizio Costabile
SESSION 4 (30 min)	National Immunology Curriculum	Chair: Guna Karupiah
14.30pm-14.55pm (AEDT)	Development of a national Immunology curriculum.	A/Prof. Maurizio Costabile University of South Australia
14.55pm – 15.00pm (AEDT)	Shaping the International Advanced Course in Translational Immunology	Prof. Gabrielle Belz, University of Queensland Diamantina Institute
SESSION 5 (30 min)	CLOSING ADDRESS	Chair: Guna Karupiah
15.00pm - 15.10pm	Genscript promotion	Dr. Edward Wong
15.10pm-15.30pm (AEDT)	Closing address, voting for best presentation, awarding of prizes	Dr. Samy Sakkal Chair, Education SIG
	Virtual drinks
