

WELCOME

TO DAY OF IMMUNOLOGY WESTERN AUSTRALIA, 2022

To celebrate the International Day of Immunology 2022 in Western Australia, we have put together fun activities to help you learn about the immune system.

Starting on the 18th of April 2022, we have daily activities to do, leading up to the final day, the 29th of April – the International Day of Immunology.

We have 3 activity categories with prizes:

- Daily activities related to an immune cell or concept (10x prize packs total)
- A crossword with daily clues (1x prize - microscope)
- A “make your own” immunology video (1x prize - tickets to Scitech)

Activity sheets can be found on the ASI website

Details will be posted on Instagram and Facebook – follow [@dayofimmunologywa](#) to get updates

To enter the prize draw, share a photo or video of your activity and tag [@dayofimmunologywa](#)

Most importantly, have fun!

Follow us on Instagram or Facebook, share a picture of your creation and tag us [@dayofimmunologywa](#) for your chance to win a prize!

Schedule of activities:

Day	Date	Theme	Activity	Crossword clue
Day 1	18 th April	Introduction		7 down

Day 12	29 th April	DAY OF IMMUNOLOGY		

Terms and Conditions

- To enter the competition, a photo or video must be shared on social media, either Instagram and/or Facebook. (Please have permission to use an account).
- The photo/video must show one of the designated activities, either in progress or on completion.
- The tag @dayofimmunologywa must be used when shared to social media.
- For the daily activities, the photo/video must be uploaded before 12 noon AWST the day after the activity was posted on social media unless specified (ie. If the activity was posted on social media on the 19th of April 2022, the entry must be shared by 11.59am AWST on the 20th of April). If not uploaded in time, it may go into a random prize draw to be drawn on the 29th of April 2022.
- For the crossword activity, clues will be released daily on social media. The completed crossword can be submitted by direct message on social media, or by emailing immunology.wa@outlook.com
- For the “make your own” video, videos must be shared to social media, (including the tag @dayofimmunologywa) at any time during the campaign (18th April 2022 – 29th April 2022), before 11:59 am AWST on 29th April 2022.
- Winners will be announced on Facebook and Instagram, and contacted by direct message. This message will have details to claim your prize.
- Winners must reside in Western Australia or have someone who can collect the prize in Western Australia. Prizes will not be shipped nationally or internationally.
