

Australian and New Zealand
SOCIETY FOR IMMUNOLOGY INC.

Science in the Pub Adelaide

Friday May 3rd

SciPub Immunology: Past, Present, and Future

Panellists

A/Prof Simon Barry
The University of
Adelaide

Prof Claudine Bonder
University of South Australia

Ms Holly Groome
PhD Candidate
The University of Adelaide

6:00 – 7:30 pm

Your immune system protects against infectious disease. If the immune system is not functioning as it should, it can result in autoimmunity and allergy. Join us at Science in the Pub for the 2019 Day of Immunology event in Adelaide. We will hear about the history of immunology and from current and future immunology research leaders.

The Rob Roy Hotel

106 Halifax Street, Adelaide
