SOCIETY FOR IMMUNOLOGY INC.

2025 NSW-ACT BRANCH MEETING

SPONSORSHIP PROSPECTUS

Australian and New Zealand SOCIETY FOR IMMUNOLOGY INC.

Sponsorship Prospectus – 2025 ASI NSW-ACT Branch Retreat

The ASI 2025 NSW and ACT joint branch retreat is the main event of the society for the local members. In the past 11 years this event had proven to be quite a special and collegial meeting with an average representation of ~80 attendees, from most of the major research institutions across NSW and the ACT. In 2025, our meeting reached >60 delegates, with participation from research group leaders, research fellows and students covering all aspects of immunology, including human and clinical immunology, cellular functions and immune cell biology, cell signalling, inflammation, adaptive and innate immunity, single-cell technologies and more. A real strength of this meeting has been the friendly atmosphere open to networking with plenty of social time for collaborative interactions. Many valuable links between research groups and companies have been established during past meetings.

We will host the 2025 meeting at Peppers Craigieburn, Bowral, from 21st-22nd August. The Peppers Craigieburn is a heritage estate situated on a tranquil and idyllic retreat located in the Southern Highlands, equipped with bright and spacious exhibitor space overlooking the Golf Course, with ample space for trade displays, where we will also have tea breaks, evening drinks and lunch.

- Outstanding trade display area adjacent to main conference room and maximizing brand visibility and interactions with delegates
- Lunch, evening drinks, and networking dinner included in registration promoting abundant opportunities to meet with delegates
- Sponsorship opportunity for named-sessions and prizes to enhance your company's visibility

Sponsorship levels have been suggested below, however, additional opportunities including sponsoring specific components such as meals,

tea/coffee breaks and presentation prizes are also outlined. If you would like to suggest any further contributions or have any questions in regard to sponsorship, please contact NSW and ACT branch councillors Felix Marsh-Wakefield (ASIACT@immunology.org.au) and David Tscharke (ASINSW@immunology.org.au) or Lorri Loca (annualmeeting@immunology.org.au).
