Terms and Conditions:

1. Promotion is valid from 9th September – 29th October 2021.
2. Promotion is available for Australia and New Zealand customers.
3. Promotion cannot be combined with other discounts.
4. Promotion not applicable to accounts having contract pricing.
5. Coupons will be credited to user's account directly. You may check your coupons under My account > My Coupon.
6. For customize services, please quote the relevant discount when placing order with our Technical Account Managers.
7. Winners of USD100 GenScript Coupon will be notified by email.
8. By placing the order, you warrant that you are not prohibited by any employment, contract or law from accepting gift from GenScript.
9. For Economy Gene Synthesis, promotion only applicable for short (≤1000 bp) and simple genes. Gene manufacturing simplicity is a combination of GC% and repetitive sequences and is determined by GenScript during quotation process.
10. For Oligo Pool Service, the first pool will be entitled 9% discount, and the second pool in the same order will be entitled 19% discount.
11. GenScript reserves the right to change these terms and conditions at any time without prior notice. In the event that any changes are made, the revised terms and conditions shall be posted on this website immediately. Please check the latest information posted herein to inform yourself of any changes.
